## Covid Restrictions

At the time of compiling this brochure government restrictions have been lifted and as much as we hope that circumstances will remain the same into the future we do have to consider that things may change and we will of course be obliged to follow any guidance to keep everyone safe.

We are obliged to implement our own health and safety risk assessment to keep us all safe and we very much appreciate your consideration to helping us.

## Making the most of Christmas 2021

Thank you to all of you for supporting us through what has been another pretty miserable year.

We wish you a very Merry Christmas
